## Springs of Health

Welcome  
to Paradise

2022  
2023

*Discover your paradise...*  
**... in Germany's most beautiful thermal spa**

Discover your paradise and be enchanted by the beautiful flair of South Seas. A short getaway - unforgettable and healthy! Everybody explores the unique feeling of paradise by enjoying the extraordinary variety of certificated healing water. Due to the minimum age of 16 years, tranquillity and relaxation are guaranteed. Families, kids and teens have the opportunity to explore this exotic place every Saturday from 9 am to 7 pm.

Be welcomed by 1,200 m<sup>2</sup> of turquoise thermal water surrounded by endless natural palm trees and various water attractions. Drift through the flow channel, get a water jet massage, relax on one of the pleasant bubble loungers in warm thermal water or enjoy a cocktail at the pool bar.

Nature's energy has created spring water with a constitutional and healthy effect for your whole body. The special water comes originally by a depth of 1,100 m and has been untouched for more than 10,000 years. Grant yourself the luxury of an extra bonus for your health in one of the four enriched pools of vital energy (brine, sulphur, calcium and lithium, iodine and selenium) – something special for your skin, body and physical health. Resting for only 10 minutes relieves rheumatism and arthralgia syndroms, boost your circulation and immune system and guarantees a special care for your skin.

Hot tubs, steam chambers, solariums, a textile sauna, a Kneipp parcour, infra-red loungers and a salt grotto are additional highlights in the thermal water paradise. Keep your body in shape with aqua gym, enjoy special beauty masks of healing-earth or feel the great benefit of salt peeling on your skin.

Enjoy the beautiful atmosphere of South Seas under blue Bavarian sky on a warm summer day when one of Europe's largest movable glass domes slides open. Separated from the quiet thermal spa you will find our sports bath without any age restrictions. A 25 m swimming pool and two water slides invite to a fun afternoon. Guests of the thermal paradise are able to use the sports bath without any extra charge. Everybody who is just interested in the sports bath can buy a single ticket (opening hours: 11 am – 8 pm).

**Sauna paradise** (nude area)

Valuable wood, exquisite manufacture, clear architecture, professional infusions, beach area, palm trees and more complete the perfection of paradise to our sauna. Guests are offered 15 different saunas and a wide range of wellness attractions.

Experience intense moments of pure well-being in the unique architecture of the "Alhambra". In the lovingly designed "Meditationssauna" guests relax their bodies on cedar wood, while admiring the view of the underwater world full of colourful Koi carps. Be amazed by the smell of fresh bread in the "Backhäusle". Classical music enchants you in the "Römersauna" built in the style of the Colosseum. Friends of hot infusions will be thrilled by the traditional infusion saunas "Blockhaus am See" and "Kelo-Stadl". Enjoy the view over the glittering lake in the "Strandsauna" or the "Löyly-Hütte" on the sandy beach. Aromatic scents flow through the room in the "Blaue Grotte" steam bath.

Take part in one of our professional infusions which are given by the well trained staff. The variety of ceremonies is a highlight for each guest every day.
