Springs of Health

Welcome to paradise

2025 | 2026

Discover your paradise...

... in Germany's most beautiful thermal spa

Discover your paradise and be enchanted by the beautiful flair of the South Seas. A short getaway – unforgettable and healthy! Everybody explores the unique feeling of paradise by enjoying the extraordinary variety of officially recognized healing thermal water. Due to the minimum age of 16 years, tranquillity and relaxation are guaranteed. Families, kids and teens have the opportunity to explore this exotic spa every Saturday from 9 am to 7 pm.

Be welcomed by 1,200 m² of turquoise thermal water surrounded by endless natural palm trees and various water attractions. Drift through the flow channel, get a water jet massage, relax on one of the pleasant bubble loungers in warm thermal water or enjoy a cocktail at the pool bar.

The power of nature has created spring water renowned for its soothing and health-promoting properties. The special water originates in a depth of 1,100 m and has been untouched for more than 10,000 years. Grant yourself the luxury of an extra bonus for your health in one of the four enriched pools of vital energy (brine, sulphur, calcium and lithium, iodine and selenium) – something special for your skin, body and physical health. Resting for only 10 minutes relieves rheumatism and arthralgia syndroms, boosts your circulation and immune system and guarantees special care for your skin.

Hot tubs, steam chambers, solariums, a textile sauna, a Kneipp parcour, infra-red loungers and a salt grotto are additional highlights in the thermal water paradise. Keep your body in shape with aqua gym, enjoy special beauty masks made of healing-earth or feel the great benefit of the salt peeling on your skin.

Enjoy the beautiful atmosphere of the South Seas under the blue Bavarian sky on a warm summer day when one of Europe's largest movable glass domes slides open.
